The Cleveland Community Police Commission (CPC) asks for Det. Steve Loomis to voluntarily resign or be removed from the Commission by Consent Decree authorities

On November 2, 2016 the CPC delivered a letter signed unanimously asking Det. Loomis to voluntarily resign the Commission. The letter cites consistent meeting absences as a notable lack of fulfilling Commissioner responsibilities as the reasoning for the request. "We believe it is in the best interest of the CPC and the CPPA to have a union representative actively present at Commission meetings, respectfully voicing CPPA interests and concerns."

On November 18, 2016, the CPC released a letter expressing its general concern of the lack of effectiveness and clarity of processes impacting the CPC's work and its concerns regarding the ongoing membership of Det. Steve Loomis on the CPC.

Both letters are attached to this advisory.
