Community Questions for CEC;

A community member asked if there is a suite number for the office.

A member of the audience asked if the Community be able to see the remarks the students made at the town halls.

Public Comment Period

CEC Thompson reviewed the public comment period ground rules.
The following are questions or comments posed by the community.

A person in the audience inquired if there were members from the two parties and a representative from the CRB were in attendance. The person was disappointed that the Winter Warm Up was not discussed. They were also upset about an email received by a staff member.

A Citizen wanted to express they attended the November 21, OPS hearing; and reminded Commissioners not to lag in their work.
A member of the community asked if there is any organization that speaks for CDP that would be interested in a bridge building initiative between the CDP and inner city men. Commissioner Hampton stated that the Black Shield is interested in helping.

An audience member asked about mental health training and training for officers on how to communicate with the deaf for CDP.
- Commissioner Logan discussed training for Mental Health and deafness. Crisis Intervention Training through the ADAMHS Board has been completed. Deaf MRDD will need to get more information.

A member of the audience asked if anyone knows if the CDP completed and approved the Community Engagement Plan.
- Commissioner Logan explained the CEC Assessment will not be out until January. Commissioners will look at the plan comprehensively and the CPC will hold town halls to garner community input.

One community member echoed the importance of Community Engagement Events, but inquired about the policies that the Commission are working on and what the status of the policies are.

A person in the audience asked when the disciplinary matrix will be filed and what is the status of the IA hire?

A community member asked about the status of OPS.
- Commissioner Logan stated that information was necessary because there was gridlock between the parties.

An audience member compared indictments from the former ED to another nonprofit staff member in Cleveland accused of a similar offense.
- Commissioner Logan expressed that she does not have any prior knowledge and the Commission was not informed.

**NACOLE Training Bid Update - Co-Chair Conner**
